SCHOOL NOTES

The second issue, or the tournament number of the school paper, "The Mirage," will be out next week.

The student body gave a party in honor of the return of the teams, or rather in honor of what they did at the tournament, last Wednesday. The students enjoyed themselves from 8 to 11 by dancing. Coffee, sandwiches and cake were served upstairs and everyone thoroughly enjoyed themselves.

The freshmen have a new English and rhetoric entitled, "Hitchcock's Junior English."

The English II class handed in their twelfth theme Friday. It was a theme explaining one characteristic of a certain class of people.

Preparations are being made for the "Soph Hop," which will probably be held the latter part of this month. This is considered the biggest event of the year, next to the "Junior Prom" and the sophomores promise it will be a thorough success.

Jaunita Lovelock, of the high school cooking class, prepared and served a dinner to three of the eighth grade girls last Friday.

The Henry Morgenthau prize oration and essay contest is now open to all junior and senior high school students. Through the generosity of Henry Morgenthau, former ambassador to Turkey, 125 state and national prizes are offered as follows:

State Prizes	
First	\$15
Second	10
Third	5
National Prizes	
First	\$500
Second	250
Third	100

For the purpose of contest Nevada is grouped with Arizona and California, as one state. The oration must have as its theme some phase of the present political, social, educational and industrial conditions in the countries of the near east and must contain 1500 to 2000 words.

To be entitled to compete for prizes the oration, or essay, must actually be delivered or read at some public gathering.

SEARCH FOR FREEDOM CROWD HAS MIGRATED

(By Associated Press)
YASNAYA Polyana, Russia, Feb. 23.—(By Mail.)—In their search for total freedom, the community of young people established here last September with the intention of showing the world that the ideal life planned by Tolstoi is possible has removed to Sorpuchow, nearer Moscow.

There they have taken up a new tract of land of which there is plenty since the flight or death of the old landlords and the refusal of peasants to cultivate tracts of land more than sufficient for their immediate needs. An outbreak of typhus in the village hastened their departure.

ROCKY MOUNTAINS IN GRIP OF BAD STORM

(By Associated Press)
DENVER, Mar. 18.—The combined rain and snow storm in the Central Rocky Mountain region, and the territory extending southward from Cheyenne to northern New Mexico, and eastward from the Rocky Mountains to the upper Mississippi Valley, is still held in the grip of the storm, according to the local district weather forecaster.

TONNAGE FROM WEST END IS MUCH HEAVIER

Ore Showing On Two Levels of Ohio Shaft Warrants the Heavier Production.

PRODUCTION BEING INCREASED

Life of Producer Is Extended Many Years as Result of Mineral Discoveries.

Conditions at the West End mine are reported officially as being excellent, so far as ore reserves are concerned. The largest development is being centered through the Ohio shaft workings. As can be seen from the official report covering the week ending Saturday morning, March 18, which follows, the property is showing excellent physical form.

"From the West End shaft workings, drift 404 A has been suspended and raise 404 C started. Crosscut 413 A continues in a face of low grade ore. Drift 537 A made a small advance on low grade ore. Drift 569 A continues to advance on a full face of ore. Raise 569 No. 6 made fair progress with no change. Raise 589 No. 5 made fair progress with no change. Drift 970 made the usual progress on low grade quartz.

"From the Ohio workings, intermediate drift 510 made fair headway on low grade quartz. Drift 536 No. 1 continued to advance in a face of good ore. Drift 549 has been temporarily discontinued and drift 551 started on a full face of ore. Drift 577 No. 1 advanced on a face of fair ore. Crosscut 802 made fair progress with no change to report. 848 drift No. 1 made the usual progress on fair ore. Drift 848 No. 2 advanced on a full face of good ore. Crosscut 848 No. 1 made good progress on fair ore. Raise 848 No. 2 made a connection with the 800 level on ore. Crosscut 862 crosscut. There are no changes to report in Tonopah "76" ground, regular work being performed.

"Tonnage and grade of ore was normal with production of 2200 tons for the week."

PERSONAL

HENRY NOPSINGER, Manhattan resident, left this morning for home, after a visit of two weeks in Tonopah.

M. M. HOLLAND, who is operating the Brown Bee property north of Coaldale, is a business visitor to Tonopah today.

R. G. (Honest Dick) WILLIAMS returned this morning from San Francisco where he has been for the last six months in charge of a crew of linemen for the Western Union.

A. S. PUTNEY, well known mining man of Manhattan, left this morning for home after a visit of a few days with his family in Tonopah. Mr. Putney was driving a 20-horse power car, but an auxiliary 2-horse power was awaiting him near Pipe Springs in the form of two horses will drag him over the summit.

St. Patrick's Day Ball Most Enjoyable Event

The dance given at Eagles hall last night by the ladies of the Catholic church proved one of the most successful events of recent years in Tonopah. The hall was packed with a merry-making crowd of people and all present reported having enjoyed themselves thoroughly. A handsome sum was realized, the proceeds of which will be used in paying the premium on the insurance carried on the church.

SECTION EMPLOYEE WANTED

Chief of Police Smith is looking for John Karzis, section hand, who cashed a check for \$16.80 with J. E. Peck agent for the Tonopah & Goldfield, and who later is alleged to have stolen the paper and cashed it at the Tonopah club with Nick Abelman. The check was drawn on the John S. Cook bank at Goldfield. Mr. Abelman says he is thinking of tacking up a sign which will read: "All good checks cashed and some bad ones."

AMUSEMENTS

DAVID BUTLER AND JOE MARTIN TODAY'S BILL

David Butler, the ever-enjoyable film star, in "The Milky Way," which will be shown at the Butler today, is as a glass of cold water on a hot day. The story has the charm of rural settings to begin with, and then moves to the city where the big dramatic situations develop. David is cast as a country boy who was anxious to get away from a milk job, but milk proves to be his destiny, for he wins a pretty girl and becomes general manager of a big milk company. The story was written by Lottie Horne and Clyde Westover, with W. S. Van Dyke as director, together with an excellent cast. It is a nice clean wholesome comedy drama that everyone is sure to enjoy.

Added to the program will be an "actor," who has not visited Tonopah in some time, in the name of Joe Martin, the educated Chimp, in a 2-reel comedy, entitled "Monkey Hero."

Tomorrow, Johnny Hines—another popular star, in a 6-reel side-splitter—"Burn 'Em Up Barnes." It is an automobile story, and it is needless to say that it has plenty of speed, suspense, thrills and laughs in it. Monday, the big Fox special, "Shame."

Out On Cash Bonds

Edward Romanovich, who was bound over to the district court on Thursday upon the charge of assault with intent to kill, yesterday secured his freedom by furnishing a cash bond of \$500 to insure his appearance when wanted. Romanovich is charged with cutting Robert Dragovich with a knife, both arms being injured.
